

## **LOTTERY FUNDS**

The District receives Discretionary Lottery Funds and School Recognition Lottery Funds from the State of Florida.

### ***Discretionary Lottery Funds***

The Discretionary Lottery Funds entitlement is calculated by the State of Florida Department of Education based on a formula established in the General Appropriations Act.

The District primarily uses Discretionary Lottery Funds to pay salaries and fringe benefits for a number of annual contract teachers, and the District distributes \$10.00 per Full Time Equivalent student to each school for School Improvement. Each school uses School Improvement funds to develop and implement the School Improvement Plan.

### ***School Recognition Program***

The 2001 Florida School Recognition Program provides financial awards to faculty and staff of schools that sustain high performance or that demonstrate exemplary improvement due to innovation and effort. Awards are based on \$100 per Full time Equivalent student in each school.
